For Federal Fiscal Year (FFY) 2016, Monroe County will be allocated \$329,679. The County will also include in its application CDBG funds in the amount of \$130,952 on behalf of East Stroudsburg Borough and \$95,799 on behalf of Stroudsburg Borough. The submission date of the application for the use of these funds is November 18, 2016 to the PA Department of Community and Economic Development.

Proposed project activities must meet one or more of three objectives: benefit low- and moderate-income persons; prevention or elimination of slums or blight; and/or alleviation of immediate threats to the health and safety of the community. Monroe County Commissioners are required to and will commit not less than 70% of the total funds, after administration costs, to projects, which principally benefit low- and moderate-income persons (LMI). It is the desire of the Commissioners to receive public comment on possible projects or activities, the previous use of CDBG funds, and/or the County's Three Year Community Development Plan.

Eligible Community Development Block Grant project may include but limited to: acquisition, demolition, historic preservation, housing rehabilitation, public improvements and economic development. Limited funds are available, as well, for public services and administration.

A Public Hearing will be held on **Wednesday, August 3, 2016**, at 9:30am in the Commissioners' Meeting Room on the second floor at the County Administrative Center, One Quaker Plaza, Stroudsburg, PA. The public is also invited to provide input into the respective applicant(s) Three-Year Community Development Plan.

As a result of these hearings, proposed projects will be reviewed and prioritized by the Commissioner as well as East Stroudsburg Borough Council and Stroudsburg Borough Council. Every effort will be made to avoid or minimize displacement and relocation. Should any displacement be required, the respective applicant(s) will be responsible for replacing all low- and moderate-income housing units that are demolished or converted.

The Monroe County Commissioners will make every effort to make all programs and activities accessible to the learning, mobility, visually, hearing, and language-impaired persons.
