

## **2018 – 2019 CHRISTMAS TREE RECYCLING SCHEDULE**

East Stroudsburg Borough provides special Christmas Tree curbside recycling pick-ups, during the three week period immediately following the Christmas holiday. After Christmas is over, don't trash your live tree, recycle it! The Department of Public Works crew will pick-up and chip-up your Christmas tree if you place the tree out at the street curb in front of your residence on the designated dates below. ***Trees must have lights and stands removed in order to be picked up.***

**Friday, December 28, 2018**  
**Wednesday, January 2, 2019**  
**Friday, January 4, 2019**  
**Monday, January 7, 2019**  
**Friday, January 11, 2019**

Pick-up will be from 7:30 a.m. to 3:00 p.m. on the above dates. (The schedule is subject to change due to weather or other unforeseen conditions). East Stroudsburg Borough residents may also bring their tree to the Twin Boroughs Recycling Drop-Off Center located off Lincoln Avenue during the regular center hours. Please be advised that the Borough's garbage collection contractor is not responsible for picking up Christmas trees, or branches, or other unbagged yard wastes under its contract, so you will need to place your tree out for pickup by the Borough crew on the above scheduled days only. The scheduled Christmas Tree pickup dates and the yard waste pickups scheduled by the Borough are the only dates for curbside pickup at your residence.
