Volume 1, Issue 1

NEW SOLID WASTE REMOVAL POLICY FOR 2020

The Borough of East Stroudsburg will have a new Solid Waste Collection policy for 2020. Starting in January 2020, all residents required to participate in the Borough wide refuse collection will be provided a choice of a 32 Gallon or a 64 Gallon or a 96 Gallon Mobile Refuse Cart for their Solid Waste. The smaller the Mobile Refuse Cart that you choose the lower your Solid Waste Bill will be. All residents must utilize the Mobile Refuse Cart provided to them. These carts will be labeled with the customers ID number and will also be fitted with an RFID smart tag to deter theft and track all Mobile Refuse Cart locations within the Borough. When a resident requires more capacity for a short term period, additional specialty refuse bags may be purchased at the Borough Office. If your need for capacity changes you can request a smaller or larger Mobile Refuse Cart from the Borough, your bill will increase or decrease accordingly. Large Bulky Items will be restricted to one item per week. (i.e. one couch or one dining room Table set or one Mattress/box spring set per week). Borough Council will be having meetings to help you decide on the appropriate size Mobile Refuse Cart and to help you understand the changes for 2020.

Mobile refuse carts in the 32 gallon, 64 gallon and 96 gallon are available for viewing at the Municipal building locate at 24 Analomink Street, East Stroudsburg, PA 18301.

Informational meetings to be announced this summer.

The ESFD wants you!

Volunteers needed, training provided, rewards unlimited

The East Stroudsburg Fire Department, Acme Hose Company #1, is always looking for volunteers to become active members of the department. Training is every Monday night.

The department participates in community events and does other functions besides fire-fighting. This includes hosting an open house during October (fire prevention month).

The Department reminds all residents to ensure all smoke detectors in the home are working properly. If you missed the chance to, “Change your clock, change your batteries” in your smoke detectors at the start of daylight savings time (at the beginning of March), now would be a good time to tackle that task.

East Stroudsburg Borough Beautification

Adopt A Planter

The Borough of East Stroudsburg invites YOU to help Beautify Downtown East Stroudsburg.

The East Stroudsburg Downtown Beautification Program encourages public involvement in the enhancement of the Planter boxes and “bulb-outs” in and around the downtown.

The Adopt-A-Planter Program encourages public investment in the beautification of downtown East Stroudsburg. By working together, we can greatly enhance the streetscape for shoppers, businesses, and residents. The Adopt-A-Planter program is a volunteer-based activity where area volunteer groups “adopt” and maintain designated planter boxes and flower beds year round. The Borough will provide a list a approved plants and mulch for the planter.

When you adopt a planter you or your organizations name will be prominently displayed as being the caretaker of the planter.

By working together, we can help to enhance the beauty and inviting atmosphere of our downtown assets.

For more information on how to the Adopt-A Planter program please stop in at the Borough office.
