

The East Stroudsburg community will be celebrating our 150th year as being incorporated as a borough (May 23, 1870) beginning Saturday May 23rd 2020 and continuing with events over a period of 150 days until October 19th, 2020.

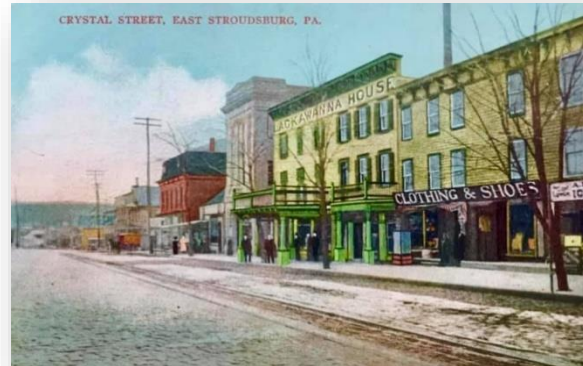

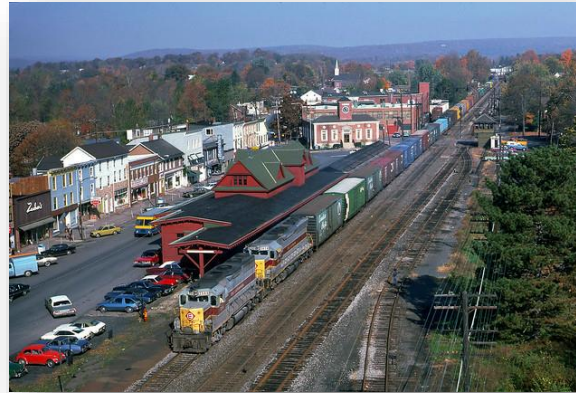

We are excited to invite you to support and help fund the various events and programs. We will be offering multiple advertising opportunities throughout the celebration period. In addition, you may help sponsor one of the many events that are being planned for the anniversary.

We are so grateful for what our sponsors have helped us accomplish over the years from one community event to another, as well as being immensely thankful to our past, present and future sponsors. It is important that we all work together to make this a successful celebration.

Please visit our 150th Anniversary page on the East Stroudsburg Borough's website for the most up-to-date information:
