By applying for this permit, I acknowledge that all information provided in this application is complete and accurate, that the work performed will be in conformance with any applicable ordinances of the municipality in which the work is to be performed as well as in accordance with the approved plan after a plan review has been completed. I understand that this is not a permit to begin work, but only an application for a permit and that work is not to start without a permit and that the fees for the permit may be doubled if work starts without a permit. I understand that if I give false information regarding this permit application that any permits issued based on this information will be invalid and the municipality could initiate legal proceedings against me, which could result in my being fined or imprisoned, or in the improvement being removed at my expense or any other legal remedy appropriate under the circumstances.

***** INSPECTION NOTES-- FOR BOROUGH USE ONLY *****

WORK ACCEPTED/PERMIT CLOSED: INITIALED: DATE
